

**"We believe the gospel of Jesus is not just about words, but also actions."**

I would like to share with you an opportunity that has been presented to me. From Aug. 8<sup>th</sup> to Aug 15<sup>th</sup> I will go going to Salyersville, Kentucky to work on a Mission Trip to help the people in the Appellation Mountains.

Walk On Water Ministries has taken hundreds of teens and adults on 11 Mission Trips to Standing Rock Indian Reservation in South Dakota; 2 trips to Rockbridge, West Virginia to help special needs teens enjoy a Young Life Camp; 3 relief trips to South Dakota and 1 to New Orleans.

This year they are offering a new opportunity to go to the Appellation Mountains and provide repairs; build needed housing and help the local people wherever there are needs. We will partner up with a local church who will coordinate the work to be done, direct us to the homes in need of repair, and provide housing & a kitchen area for us to prepare our meals.

The cost of the trip will be approximately \$400 per person, which includes transportation, meals and materials for the building and repairs.

As individuals, we are all contributing our own funds as we are able. As a group we are calling upon the community to assist in our cause. Some have already felt called to offer a full sponsorship of \$400.00 or a half sponsorship of \$200.00.

If your heart is moved to support this cause, any amount of course would be greatly appreciated. In any case, we would appreciate your prayers for a safe and successful Mission for all.

Thank you for taking the time to read this and for your prayerful consideration as to how you can help support our Mission most importantly, thank you in advance for your prayers.

This will be my first opportunity to go to Kentucky on a Mission Trip; however I have gone on other Mission Trips with Walk On Water, or "WOW" Ministries, in the past. It was an amazing experience that deepened my relationship with God and it was wonderful to serve the Lord in such a powerful way. I will be part of the group of around 50 people.

This will be a wonderful opportunity for all of us to join with youth from all over the US to serve our less fortunate American friends in the Appellations, to use my God-given talents to work hard and I hope to gain a better understanding of other cultures and once again deepen my own faith and relationship with God.

If you can help out monetarily, please make your check out to Walk On Water Ministries (it is tax deductible); put my name on the memo line and mail it to:
