

WOW MINISTRIES NEEDS YOUR SUPPORT!

Walk On Water Ministries mainly ministers to teens and as they are financially unable to support the ministry, we need adults and businesses to fill in the gap. We have so many 'hidden' expenses to cover such as repairs, supplies, fuel; plus snacks, drinks and heat/AC for Youth Group Meetings. Insurance on the bus and semi/trailer alone is over \$8,000/year. Mission trips cost over \$15,000/trip. Our cost for one person to attend is over \$500, but we ask less than that from the teens, and adults are on a donation as desired basis. The Mission Trips are where we see the biggest change in the teens who go. You can help make a huge difference in someone's life by sponsoring a teen to make the Mission Trip this summer in full or in part.

Please consider becoming a partner with WOW to help us touch more teens as we serve God:

<input type="checkbox"/> Monetary Donation:	One Time Pledge:	Monthly Pledge:
